

## LORD SEES HIS OBITUARY.

Member of Board, Not Desborough, as Incorrectly Reported.

LONDON, Dec. 3.—Lord Desborough, a noted athlete, Chairman of the Thames Conservancy and one of the most popular men in England, read a long eulogium on himself yesterday in the Times and other papers. The eulogium on Desborough, less known peer, died suddenly last night at a banquet in Birmingham, and the confusion of the two names is easily understandable, due to the fact that the notice was received by telephone. Lord Desborough unveils a war memorial at Maidenhead, close to his mansion at Taplow Court, Sunday, his own two sons being among the roll of honor commemorated on the monument.

Lady Desborough this morning received an avalanche of telegraphic condolences, followed later in the day by an equal number of messages of condolence.

## IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application of two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This is an always be depended upon for giving back the natural color and luster of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and astrous.—Advt.

## YOU CAN'T DODGE IT

Once in a While Your Blood Clogs and Your Vitality Runs Down

THEN TAKE PEPTO-MANGAN

You'll Pick Up Again Quickly with Plenty of Red Blood Corpuscles

Physicians nowadays take a blood test when you are run down. They count the red corpuscles in your blood. If these are too few they give you a tonic for the blood. It happens right along. They are always on the lookout for indications of weak blood.

Why? Because they know when your blood is weak your resistance to disease is low. Your vitality and energy quickly run down.

You can tell when your blood is weak. You look pale, feel tired. You are not ill, but you don't feel right. You don't want to do things. That is the time to take the well-known tonic, Pepto-Mangan.

Pepto-Mangan builds red blood corpuscles. Physicians have prescribed it for thirty years.

Pepto-Mangan is sold in liquid and tablet form. The medicinal value is exactly the same. Take either kind you prefer. But be sure you get the genuine Pepto-Mangan—"Guide's." The full name, "Guide's Pepto-Mangan," should be on the package.—Advt.

## EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night, if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Advt.
